Dear Frank,

Christmas Greetings

On behalf of the staff and young people at Marist180 I write to sincerely thank you for the contribution Modern Painting Group made towards the build of our new home in Toongabbie.

Following the official house opening last Wednesday (11 December 2019) our staff and young people had an opportunity to view the house. It was truly heart-warming to watch the boy's reactions as they walked through the front door for the first time.

I know I speak for those boys when I express their sincere gratitude for the painting services you so kindly provided. May you stand proud knowing that your contribution played an integral part in enabling Marist180 to create positive change in the lives of some of Australia's most vulnerable young people.

As Christmas approaches, we are called to celebrate the meaning of love and to be the beacons of hope to all people. Because of your contribution, this Christmas our boys will have a place to feel safe, a room of their own and a house to call home.

On their behalf and all the future young people who will call the house 'home', we wholeheartedly thank you for being the beacons of love and hope our world so desperately needs.

From the Marist180 family to Modern Painting Group's family, may the timeless message of Christmas fill your hearts and homes with joy now and throughout the coming year.

With my thanks and support.
